REGISTRATION OF ARCHITECTURAL FIRMS

Further to your application for registration of Architectural Firms in accordance with the requirements of Architects (Registration, Etc) Act, Cap. 20, Laws of the Federation of Nigeria 2004 and in particular, Section 5(2)(b) thereof and the rules made by the Council in that behalf, I have pleasure in informing you that your firm/company has been considered eligible for registration by the Architects Registration Council of Nigeria (ARCON). The Council therefore approved the registration of your firm/company on 10th December, 2013.

In reaching this decision, the Council relied on the information in respect of the said firm which you supplied on the application forms filled, the attached documents and our own investigation.

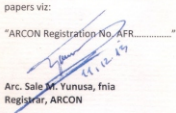

Upon the payment of the registration fee of Ninety Five Thousand Naira (N95,000.00) only, which shall be remitted in BANK DRAFT made payable to the Architects Registration Council of Nigeria not later than 31st December, 2013, the Registrar shall insert the name of your practice in the Register of Architectural Firms entitled to practise in the Federation of Nigeria. Please be informed that the Register will be renewed annually and one of the conditions for the renewal shall be the payment of the prescribed annual subscription fee as specified by Council from time to time. Note that your firm's eligibility to practise in any given year is dependent on the renewal of your registration as and when due. You are also duty bound to inform ARCON within 2 weeks (accompanied with full documentation) of any changes in the structure, directorship or partnership of your firm as this is the basis of your firm's registration. Failure to do so would result in the nullification of your registration and the notification of same to others.

We also wish to inform you that ARCON has adopted the Code of Professional Conduct and Scale of Professional Fees published by the Nigerian Institute of Architects for use by all Architects in the Federal Republic of Nigeria, copies of which can be obtained from the Honorary General Secretary, The Nigerian Institute of Architects, Plot 215, 819 Katampe Extension, Katampe, Abuja

Please accept my congratulations.

Your firm's Registration Number is AFR/1051 and this should immediately be typed or printed in all your letter-headed papers viz:

"ARCON Registration No. AFR....."

Over the years, U-DESIGN LTD. has recorded milestone achievements within the construction industry. It has made an appreciable turnover which is partly reinvested in new projects at the same time settling its overhead costs.

We adopt the use of modern computer software in our designs ranging from “AutoCAD” tool for drafting to structural calculation software such as: *ANALYSIS*, *RISA-3D*, *PROKON*, *SAND*, and MS-Project computerized management system software to mention a few. We keep a mini library of books, manuals and journals on Project Management & General Administration. This complements our office needs besides the internet by equipping our staff through the provision of research tools.
